 Summer 2015

Dear friends: Thank you for supporting Summit Life Outreach Center's ministry. Our mission here is to show those in need that God made every life with love. The pictures of moms and dads in this newsletter are actual clients and their baby served by this ministry. Every client we serve is facing their own unique challenge. Jesus loves them as much as He does their children. Instead of judging them for considering abortion, it's vital that we take the time to hear their stories and help them navigate toward life-affirming solutions. I am thankful for the staff, volunteers, churches, and everyone who supports this ministry.

Because of God's work through you, the women have someone to tell their stories to and get the critical support they need. Love is possible! God literally loved and willed you into being. We have life by an intentional, loving, creative act of God. We exist because He wanted to give all of us the two most precious things: LIFE and LOVE. Our life is sacred because we came from the Heart of God. He made you, me and the clients we see like Him, beautiful and true, designed for love. - We were created to love without limits. Sacred human love is under attack. Love is the light, Love is possible, and we are able to practice it because we are created in the image of God. To experience love, and in this way to cause the light of God to enter into the world, this is the invitation I would like to extend to you. Please get more involved with this AWESOME ministry. Due to unforeseen circumstances beyond our control we have lost a major source of funding that we have grown to count on. We need to figure out new ways to raise the funds necessary to continue. Please ask yourself: Does abortion take an innocent life, and if so what can I do about it? We have included with this newsletter an envelope for a donation. I am asking you to please consider sending in a donation in the envelope provided. Summit Life must stay in Niagara Falls, without it the women we serve will have no choice but to go to a non-life affirming place for their pregnancy test. Our Earn While You Learn program is so unique to the area, without it moms and dads would simply not have anywhere else to go for parenting classes that include sharing of the gospel. Babies are clothed and nurtured through this program. Please prayerfully consider how you may contribute. Summit Life Outreach Center is a non-profit, 501(c)(3) organization. We provide all of our services free of charge to each client we see. SLOC receives no government funding. We are deeply grateful for the support of our donors. - All gifts are tax deductible! This is our 10 Year Anniversary of doing Ministry in Niagara Falls, and together with you we will be here another 10 years! Let's get involved, let's be the Love and Light God wants us to be. Please feel free to stop in anytime for a visit. We are also excited to invite you to our 10 Year Anniversary Celebration Banquet "Made with Love" with special guests: Sisters of Life. [www.sistersoflife.org](http://www.sistersoflife.org). This evening will be filled with Love, Celebration, Client testimonies and friendship! Thank you and may God bless you, *Barb Bidak*.

## “Earn While You learn”

### How Does It Work?

Pregnancy and parenting are filled with lots of uncertainty. This program helps to answer many of the questions a client may have.

- The “Earn While You Learn Program” is an education-based system of earning material items needed for their baby.
- ALL are welcome to be in the program until their child is two years old.
- This program is FREE of charge.
- Mommy and Daddy credits are earned by keeping a one-hour appointment with a Peer Counselor who will take them through a short parenting lesson.
- The lessons are taught through a series of videos and worksheets that cover everything from pregnancy, newborn care, up to the toddler years.
- During the appointment there is an awesome opportunity to mentor the client and share the gospel.
- Once credits are earned, parents enjoy using them to shop in our “Parenting Shoppe” for material items, such as clothes and diapers.

The lessons are fun, interesting, and practical. We are here to help the mother or father learn how to be the best parent they can be! And best of all, they will work with a peer counselor who will be able to help them better understand the challenges and joys that lie ahead for them and their baby.

### Parenting Shoppe, used for EWYL is in need of the following items:

- ♥ Gently used Strollers, Bassinets, Pack –n Plays, Swings,
- ♥ Newborn diapers & Larger size diapers, size 3-6.
- ♥ Diaper Wipes, Diaper Cream, Baby Wash
